

## EASTERN TAKES INDOOR MEETING

### Western Loses First Track Meet to Old Rivals, Score 42 to 29.

An indoor track meet was pulled off Friday evening between Eastern and Western. It was the first track meeting between these old rivals in most branches of athletics, as neither has heretofore devoted any attention to indoor track work. No records were broken, or threatened, but taking into consideration that it was their first effort, the men made a creditable showing.

Eastern carried off the honors, winning by a score of 42 to 29. Following is the list of winners in the different events:

Shot-put—Hyman (Western) first, 36 feet, one inch; Weider (Eastern), second; Hindelang (Eastern), third.
