BY UNDERGRAD.

In one of the best track meets ever held, Northwestern university, Hyde Park high school and University High school athletes, scoring 19 points each, tied for the championship of the second annual indoor interscholastic track and field meet at Patten gymnasium last night. Hyde Park had the lead by six points until the high jump, when University High forged ahead, taking first and third and raising their score to 19 points. Evanston academy was a close contender for first honors with 17½ points.

Two interscholastic records were broken, while one was tied. Spears of Kewanee put the shot 44 feet 5 inches, the former record being 44 feet 4 inches, held by Norgren of Waiter High. In the mile, Waage of Lane made 4:51 4-5, lowering the record of 4:59 2-5 made by Dick of Hyde Park by 38 2-5. The 440 yard "gym" record of :56 made by Phelps of Oak Park was tied by Blair of Evanston academy in the first race.

Schobinger Individual Star.

Schobinger, the only athlete representing Harvard school, was the individual star with twelve points to his credit, carrying away first honors in the sixty yard low hurdle and pole vault, and taking third in the shotput. Blair of the Evanston academy scratched second honors in individual points by winning first place in the 440 and 880 yard runs. Lyman of Lake Forest academy ran close behind Blair, with 9 points, taking second in the hurdle, 440 yard run, and the broad jumps.

Two feature events, new to western schools, were the 60 yard novice and the relay race. Three events were introduced by Director Hammett, having met with great success in the east.

The novice race was for athletes who had never won a medal in open interscholastic competition, while the relay—two laps of 220 yards to the man—is considered just the right distance for high school athletes, enabling them to sprint all the way. The novice race was a Cook county championship event and did not count in the events.

Waage Wins Brilliant Race.

One of the prettiest races of the meet was the mile run won by Waage of Lane, in which six entries struck out at a lively clip, four of them dropping out on the last lap. Waage remained about five yards behind until the last quarter lap, dashing ahead in a final burst of speed and winning by a close decision over Tower of Evanston academy.

In the second quarter mile race Wilson of Evanston academy fell entangled in a hurdle from the finish, sacrificing first and second places to Lyman and McGuire respectively. Williams managed to crawl to the finish in order to get the place. Summaries:
