Special to The Free Press.

Ann Arbor, Mich., May 20.—Toledo Central high school, represented by a remarkably well balanced team of prep school athletes, furnished the surprise of the second day's activity at the 14th annual interscholastic meet on Ferry field today, winning the meet with ridiculous ease with a total score of 34 1-2 points. While the visiting Buckeyes were amassing their aggregate score, Croswell and Muskegon, which tied for second honors, together could score but 30 points. Trailing Muskegon and Croswell came Grand Rapids with 12 1-2, Alma with 9 and Detroit Eastern with 7 1-2.

The showing of Grand Rapids, which led the scoring last night at the close of the finals in four of the field events, as well as that of Alma and Detroit Central, favorites by virtue of their showing at Lansing only a week ago, was a distinct disappointment. The lads representing the Furniture City failed to add a single point to their score of the first day, while neither Detroit Central nor Alma ever figured seriously in the competition. Of the Detroit schools represented, Eastern made a trifle the better showing, scoring 7 1-2 points, while Central's best was one point less.

Run in the Afternoon.

The second day's events were held in the afternoon this year for the first time, and the experiment was not wholly successful. The heat was intense, the spectators who were forced to submit without defense to the sun's ray, suffering no less than the athletes themselves. Moreover, the events seemed to move more slowly than in former years, but that fault scarcely is attributable to the change of program.

Despite the large attendance, and keen competition in practically all of the events, the performances were not at all remarkable. Osborn furnished a splendid performance in the half mile, while the work of Monetta and Vail in the dashes, Miller in the mile, and Howard in the quarter, was scarcely less remarkable. Howard by winning the broad jump and quarter mile, scored ten points for Croswell, incidentally winning for himself the individual honors of the meet.

The mile furnished the most thrilling race of the meet, Miller of Muskegon, winning from the highly touted Schoenfeld of Toledo Central, after as spectacular finish as ever is seen. Osborn of Kalamazoo, who had won the half-mile in brilliant fashion, essayed to give his team another five points in the mile, and after drawing the pole showed the way for the first two quarters.

Osborn Quits When Pushed.

At the end of the half Schoenfeld, touted as a sure winner, fought his way into the pace position and Osborn gave up the struggle. Schoenfeld immediately ran away from the field, opening up a gap of 15 yards by the time he had reached the three-quarter mark.

As the runners went into the back stretch of the last lap, however, Miller challenged the Toledo runner, and by the time the men came off the last turn the two runners were almost abreast. The pair fought gamely down the stretch, but the Muskegon runner had a trifle more left than did his opponent and he led Schoenfeld to the tape by about three yards in 4:41 4-5.

Howard came within a fifth of a second of equaling the record made some years ago by Vickery of Lewis Institute in the quarter-mile, taking the event in :52 3-5. He failed to come up to advance notices in the broad jump, although he did win the event with a leap of less than 20 feet.

Vail Gets Criticized.

The ease with which Monetta and Vail won the 100 and 220-yard dashes resepectively for the Toledo team, was partially offset by the tendency of Vail to exploit his prowess to the bleachers. In the final heat, which he won handily, he repeated the stunt which resulted in so much adverse criticism for Lightbody in a dual meet at Ferry field, turning when about 10 yards from the tape and watching his luckless pursuers. The Toledo team added a fitting finish to a well earned victory by romping home with the half-mile relay race in splendid time.

NAVY'S VARSITY CREW TRIUMPHS

Recovers From Columbia Beating Long Enough to Give Syracuse Whaling.

Annapolis, Md., May 20.—Navy's 'varsity crew redeemed its defeat at the hands of Columbia last Saturday by winning from Syracuse by four boat lengths in a two-mile race on the Severn this afternoon. The winning time was 11:02, twenty-five seconds faster than the Columbia race, though conditions today were somewhat more favorable. Syracuse finished in 11:18.

Jumping into the lead in the first 200 yards, and pulling faster and more powerful stroke, the midshipmen slowly drew away from the Syracusans, and when the mile stake was passed Navy was more than a length ahead. Navy's lead was cut down, but the midshipmen soon met the challenge and had saved a bit of steam for the final spurt, in which they hit up their stroke to 42 to the minute.

Eaton Rapids Defeats Charlotte.

Eaton Rapids, Mich., May 20.—Eaton Rapids high school baseball team defeated Charlotte high here this afternoon by the score of 6 to 2. Game was called in fifth inning because of rain.
