

SCHOOL FIELD DAY

MASON SCHOLARS HAVE ENJOYABLE DAY OF SPORTS.

Special to The State Journal.

MASON, June 24.—Yesterday was a busy day for Mason high school students, with the field day sports at Quickstep park, a ball game at South st park, beside a basket picnic in the grove at Elton Jewett's. These all combined to make a very enjoyable day.

The track events were very interesting, the seniors winning the most points, and Fred Cady, a member of that class winning more points than any other contestant. Following are the winners:

100 yard dash, Reno Root, freshman; putting the shot, Clarence Mote, senior; pole vault, Harold Riggs, sophomore, and Fred Cady, senior, tied; bicycle race, Horace Hall, sophomore. distance, 1-2 mile, time, 1:27; standing broad jump, Fred Cady, senior; 220 yard dash, Clare Smith, senior; running broad jump, Fred Cady, senior; half mile foot race, Clare Smith, senior; high jump, Harold Riggs, sophomore, 5 feet 3 inches.

With Robert Halstead of Lansing, and Fred Cady of Mason as captains, the boys divided into two teams for the ball game. Seven innings were played, resulting in a score of 5 to 3 in favor of Cady's team.
