Interscholastic Track Meet is a "Pipe" for Blue and White Athletes.

CROSS TAKES SHOT PUT WITH 43 FT. 9 1/2 IN. HEAVE

Mile Run is Spilted Affair, Warner, of Plymouth, Making a Game Race.

Central high track athletes plied up brass and seconds almost at will in the interscholastic indoor track meet at the Central gymnasium last evening, falling to land in the lead in but two events, the relay race in which there was not a Blue and White representative entered and in the shotput, because Cross of Warren was the better man by a considerable margin.

The shotput and the mile run were the most interesting events of the evening, for in these there was some competition for the Detroiters. Cross of Warren won the former event in spectacular fashion by heaving the shot a distance of 43 feet, 9 1/2 inches. The better hitcock's throw by a feet, 2 1/2 inches, a very creditable performance indeed for a high school athlete.

In the mile run, Warner of Plymouth, edged steadily for the first two-thirds of a lap, lead and then maintained the advantage to the finish, when Smith of Central secured by running down, catching the leader on the sixth lap. The last two rounds were run on about even terms, first with Warner having a slight advantage and then the other. Smith managed barely to outstep his opponent by a slight stride at the close with the Central third about 15 yards behind.

Pole Vault is a Draw.

In the pole vault, Wilson and Tillman both failed at 2 feet 4 inches and the winner was decided by the flip of a coin, the result being the high jumper. The event also decided the winner of the shotput.

The shot put was closely fought with four contestants striving to outstep each other with the bar at 2 feet. Wilson of Plymouth, was highest in jump and then Smith of Central, failed at 2 feet 4 inches. Wilson won by clearing the bar by 5 feet, 4 inches. While Jones of Warren failed at one inch over the winning jump.

There was a mix-up in the half-mile run and it was some time before the winner was definitely decided on. Kottler of Central finally was given the call, with Martin of Birmingham second.

Central had a walk-away in points for the 15 foot hurdles and final points with the Blue Heritage team was second with only a 100-yard race and Warner tied at 3 each.

A large crowd was in attendance and cheered lustily for the favorites.
