**BY PREP.**

Evanston academy won the third annual track and field meet at Northwestern university last night, running up a total of 27 1/2 points.

Lane Tech. finished second with 18 1/2 points, largely through the efforts of Poling, the blue colored sprinter, who made ten of the sixteen points credited to his school. Poling secured first in the low hurdles and in the 80 yard race. Broadhead of Calver led Poling for the individual honors, getting first in the broad jump and 90 yard hurdle race.

The night was replete with record-breaking performances, so less than eight of the marks made by the "prep" athletes in former years being broken. The records to go were those in the mile race, the 90 yard jump, the shot put, 800 yard run, the hurdles, broad jump, and both novice and junior events of the 500 yard race.

**Large Crowd Sees Meet.**

A good crowd of fans gathered to Evanston to see the athletes in action, and made the walls of Patten gymnasium ring with their cheering as record after record went into the discard.

The athletes who added their names to the list of record holders were A. Jacobs, Lane in the sixty yard dash for Juniors, Clarence Soren of Kenosha in the short run, E. H. Hill of Evanston academy in the 800-yard run, C. Ketchum of West Aurora in the 600-yard run for Juniors, R. Wilmers of Lake View in the novice race of the same distance, Poling of Calver in the broad jump, and L. Turner of Evanston in the mile.
