

Alma High school track team defeated Bay City Eastern 69 to 49. The meet was a good one as some very good time and records were made. In the broad jump, Kress covered 20 feet 5 inches. The hundred yards dash was won by Smith of Bay City, Bay City lad going it in 10.1. Kress was a mighty close second losing out by barely a foot. Johnson won the distances for the local team. He had no strong man to push him. The high school students of Alma are feeling happy over the result for they feared that Bay City would win this year.
