

NINTH ANNUAL

## Saginaw Valley Interscholastic Track Meet

---

At the beginning of the season the prospects for a winning team were very good. There were Captain Loveland, Manager Robertson, Wienke, Davis and Heagany of last year's "S" men. Among the new men, were Francke, O'Donell and Campbell, all of whom looked like sure point-winners. The team did well considering the lack of practice, on account of continuous rain. A meet scheduled with Bay City was postponed three times on account of rain. When the Valley Meet came the team was in poor condition, but did remarkably well.

### VALLEY MEET.

The ninth annual S. V. A. A. meet was held at Alumni Field, June 1, before a large crowd. The day was ideal. There were more athletes entered than ever before in the history of the meet.

Carmen Smith of Bay City was individual star, getting away with  $23\frac{1}{4}$  points. Bay City won the meet for the first time, while Saginaw winner of six banners was second, 13 points behind Bay City.

Roy Davis of Saginaw broke the high jump record by leaping 5 feet  $6\frac{3}{4}$  inches. Sheldon, the deer chaser from West Branch, won the mile in record time of 4:53, and the half in  $2:10\frac{2}{5}$ . He was having a jolly chat with his team mate, McKay, in both races. Robertson easily landed first in the broad jump. Campbell and O'Donell did fine work for their first meet, the former getting third in the century, and second in the 220, giving C. Smith a good run in each. O'Donell landed second in the high hurdles and third in the low.

One of the disappointments of the meet was the poor showing Saginaw made in the distance runs, in which she was considered a strong contender. Captain Loveland was physically unable to compete in his special event, the half mile.

Corbin starred for Alpena, winning the quarter, and picked up points to total of  $14\frac{1}{2}$ .

The prettiest race of the day was the relay. Saginaw led up to one hundred yards from the finish. Loveland started and gave a lead of about 20 yards to Davis who lost not more than two or three yards. O'Donell was next, but he was weak from the former running, and lost all but about ten yards, to Schultz of Bay City. Campbell started with this lead against Smith of Bay City, but he also was weak and Smith passed him at the 100-yard mark, and won by about a yard.

With exception of the high jump and broad jump, which were won by Davis and Robertson respectively, the marks in the field events were mediocre.

At the beginning, it looked as if the meet was to be between Bay City and Alpena, the same as last year, but Saginaw pulled ahead and far out-distanced all contenders except Bay City.

The meet was a great success owing to the management by J. E. Tanis and his assistants, J. Rudolph List, Herbert List, Frank Christopher Spencer, Cecil Baskins, Walter Warren and Hugo Braun, all of Saginaw East Side High School.
