

COACH JACK COLLINS THINKS HIS MEN WILL MAKE GOOD SHOWING

**

Central Track Mentor Has Several Probable Point-Winners Entered in Big Schoolmasters' Meet at Bois Blanc on Saturday.

Coach Jack Collins, of the Central high school track team, believes that his pupils will make a creditable showing in the big schoolmasters' meet at Bois Blanc on Saturday. Collins is not predicting that the Blue and White will make a runaway of the affair, because he admits that he hasn't the slightest idea what he will have to beat, but he assures Central's supporters that the Cass Avenue lads will give a good account of themselves.

In three events, Jack believes that he has a chance of landing first place. Holland is doing the quarter-mile run in 54 seconds on the slow D. A. C. track and should be able to better that mark considerably on a faster path. He has a good chance to win the event, unless some other team has entered a "phenom"

not known to other competitors at this time.

Smith, in the mile, is counted on to give all rivals a battle for first. He has been doing 4:50 and, if pushed on Saturday, may cut this mark a trifle. In the pole vault, Wilson has been clearing 10 feet in practice and Collins has faith in his ability to go even higher should it be necessary to do so in order to capture first place.

Following are Central's entries in the several events:

100-yard dash—Huntington, Holland, Dixon.

220-yard dash—Huntington, Jones, Arndt.

440-yard dash—Holland, Krastin, Huntington.

880-yard run—Routier, Monroe.

One-mile run—Smith, Poe, Arndt.

High hurdles—Tillotson, Wilson, Smith.

220-yard hurdles—Tillotson, Monroe, Smith.

Broad jump—Holland, Wilson, Arndt.

High jump—Wilson, Carpenter, Smith.

Hammer—Hitchcock, Brown.

Shot put—Hitchcock, Brown, Gray.

Discus—Hitchcock, Arndt.

Pole vault—Wilson, Tillotson.

Relay team—Holland, Huntington, Arndt, Jones, Krastin, Wilson.
