

THOMPSON DOES IT FOR ROCKFORD TEAM

Northern Kent Boys Romp Away with First Annual County Association Meet.

SPARTA IN SECOND PLACE

The first annual track meet under the auspices of the Kent County Athletic association was a success. Financially, the association was not repaid in the measure expected but from the standpoint of athletics it stood up well. Rockford had the classiest representation and romped away with a majority of the fifteen events staged at Comstock park Friday afternoon.

Rockford's points totaled 97½. The closest race was staged between Lowell and Sparta for second place, the former winning, 22 to 19½. The other results were: Cedar Springs 2; Kent City 1.

Thompson of Rockford was the individual star of the meet, taking six firsts and gathering a total of 34 points. He was closely pressed by his teammate Carlyle, who finished with 20 points to his credit.

The girls of Rockford carried off the tennis honors, both in the singles and doubles. The boys tennis went to Sparta over Lowell by default.

Lowell won an easy victory over Sand Lake in the baseball game in the morning, 17 to 12. G. Cuddihy, Hopeman and J. Cuddihy were in the points for the winners and Strauss, Shattuck and Round did the battery work for the losers.
