

## EASTERN WILL SEND EIGHT TO LANSING MEET

**Wuesthoff Expects Team to Finish Among First Three in Interscholastic.**

Couch Wuesthoff will take eight Eastern high track athletes to the state interscholastic at East Lansing Saturday and expects to finish among the first three.

Although the Eastern mentor refused to make any definite prediction, he admitted that he would be disappointed if his team did not finish either first or second.

Eastern will be represented in every event on the program and sends as well-balanced a crowd to the championship meet as ever left this town for the Lansing classic.

Captain Williams is entered in the low and high hurdles, broad jump, 220 and relay; Henry in the 100, 220 and relay; Reich in the pole vault, 440, broad jump, high jump and relay; Kretschmar in the 100, 220, broad jump and relay; Blum in the mile and relay; Thompson in the 880 and mile; Wojciechowski in the 440 and relay and Finzel in the shot put, discus and hammer.

Six of these boys competed at the Ann Arbor meet several weeks ago, making a good showing against the top-notchers running for Chicago prep schools. Kretschmar, who joined the squad last week after a long lay-off, would have qualified for the Ann Arbor meet had he been on the squad at the time as he is one of the best high school sprinters in Detroit. Wojciechowski, freshman quarter-miler, has improved so much of late that Wuesthoff figures he has a good chance for a place.

## State plans (Eastern)
