

CENTRAL IN FIVE MEETS THIS YEAR

Big Indoor Schedule Arranged for Blue and White Track Team—Season Opens With Lansing, February 5.

Central's Indoor Meets.
Feb. 5—Lansing high at Central.
Feb. 19—Toledo Scott at Central.
March 3—Toledo White at Toledo.
March 18—Detroit Eastern at Central.
March 31—Ann Arbor high at Ann Arbor.

Five indoor track meets have been arranged for the Central high team which is working daily under the watchful eye of Coach Burroughs.

The first formal competition will be encountered February 5 when Lansing high school sends its tracksters down to the Cass avenue institution. Toledo Scott comes here February 19 while the first out-of-town meet will be engaged in at Toledo against White high school March 3. The only local school which has been given a place on the Blue and White schedule to date is Eastern high, the Indians having been slated for March 18. The meet will be put on in the Central high gymnasium. The season will be wound up March 31 at Ann Arbor against the high-schoolers of the University town.

Prospects at Central are pretty good. Coach Burroughs has a large squad out daily and some good material is being developed. There are many youngsters who are in the making and have not been pointed for any particular event as yet, but when the entire squad puts in another week or two, some likely looking athletes will undoubtedly be brought to the fore.

Central promises to be well represented in the distance events with Captain John Robinson, Isbell and Cross in the mile. Robinson has an indoor mark of 4:59 which is pretty fair for a prep runner. Isbell threatens to lead the distance men, however, as this lad is one of the best prospects who ever set foot in Detroit high school track competition. He was at Northwestern high last season and cut quite a figure while a member of Bert Mar's squad. His transfer to the Central team has caused quite a bit of gossip in local prep school ranks and he will probably prove a big point-winner for the Centralites, both indoors and out.
