

### ST. JOE TRACK STARS COUNTY SCHOOL CHAMPS

(Continued from page one)

easy decisions with the exception of the 50 yard dash in which Berman of Benton Harbor and Merchant of St. Joe shot across the tape arm to arm. Merchant was given the decision.

The half mile relay was the prettiest speed show of the meet. Swede Row's unexpected unraveling of snakes in the opening leg brought the stands to the fence. Although Moore lost the lead given him by Terry, Fitzgibbons shot Berman off in the final quarter a good few yards ahead of Merchant. The St. Joe speed wizard broke the tape seven yards ahead of the local hope.

**Locals Show Spirit.**

Benton Harbor got third in the classic broadway race and lost their pep because of it. Doubt of towners from every end of the county complained the locals ran their spirit that lent up to the closing of the day. From the first verse until the setting of the last chance the Orange and Black rotors sang on the job all the time. From every viewpoint the first annual Berrien County Athletic association field meet was a success.
