

GRAND RAPIDS WINS LANSING SCHOOL MEET

Dinnie Upton's Outfit Scores Forty-four and One-Half Points All Told.

Points All Told.

Special to The Free Press.
 Grand Rapids, Mich., June 10.—Coach Dinnie Upton's men won the state interscholastic track championship here this afternoon in the biggest field yet on record in Michigan track competitions.

The Grand Rapids team won about everything it asked for, from high records and incidentally becoming coach for the largest number of points scored by any one team in five years. Upton's men got the meet with a total of 41 1/2 points. St. Joseph played second in third, with 12 points and Lansing arrived in fourth place with a score of 10.

All prominently placed Eastern track five points and Detroit Central three.

Coach Upton's men took the inside of the track in the competition from the track of the Blue and kept it all the way, attaching a record of seven firsts among the victors, while Mackenzie, of the Grand Rapids squad, captured the day's individual honors by winning a total of 11 1/2 points.

Conditions Are Good.

When Upton entered Belknap in the day's track, other teams were lined up under the night competitor Upton. However, the conditions were certain that Mackenzie's points would make no difference in the total day's receipts, and he attacked Belknap's score from the track, Grand Rapids will accordingly be credited on the Intercollegiate track with a total of but 37 points. Belknap's retirement also avoided landing in 12 points and leaving the team in third position.

- 1st Grand Rapids, 41 1/2 points.
- 2nd St. Joseph, 12 points.
- 3rd Lansing, 10 points.
