

CLOSE EVENTS MARK PURPLE PREP GAMES; CULVER TEAM STRONG

BY EVAN STONE.

Keen competition marked the preliminary contests in the eighth annual Northwestern indoor interscholastic meet held in the DuSable gymnasium. Nine preliminary and five semi-finals were required in the sixty track events held to reduce the flock of competitors to eleven for the finals. Porters were enabled in the broad jump and in the twelve pound shot put. Only four contestants out of fifteen were able to leap the required ten feet to qualify in the pole vault.

By the number and ability of the men entered Culver Military academy, Grand Rapids, Mich.; University High, and La Grange seems to have the best chance of winning honors.

The Mendota, Ill., team of three men did not arrive for the preliminary events, but telegraphed they were on their way. Confidence of the reputation of Missouri teams, Edward Oscar stated that he would likely permit the athletes to enter the final.
