

HI JUNIORS WIN INTERCLASS MEET

Work of Freshmen and Lester Beltz is Highly Pleasing to Coach Shassberger.

The annual interclass track and field meet, of the local high school Tuesday was captured by the juniors who totaled 43 points. The freshman came next with 44 counts; the soph, 35, and seniors, 14. The work of the first year men was highly pleasing to Coach Shassberger.

Hamilton, the individual point winner was a sophomore. He got firsts in the 100-yard-dash, pole vault, high jump, and second in three other events.

The work of Lester Beltz in heaving the discus is the source of great encouragement to the coach. Beltz heaved it a distance of 113 feet 3 inches. The record made at the national interscholastic of U. of M. is 119 feet. This was made by Koehler of Lansing in 1908. Incidentally, Beltz is using the same discus Koehler used to make a national record.
