

## ST. JOSEPH TAKES ONE FIRST IN TRACK MEET

St. Joseph sent but one representative to the interscholastic track meet held under the supervision of the Michigan Agricultural college at Lansing on Saturday, but the one candidate took first place and scored five points for St. Joseph.

Conant Hatch was St. Joseph's representative and entered the running high jump, taking first place with five feet six inches. The eliminating of athletics in the schools of the county because of military training and school gardening has interfered with the development of the athletic talent in the schools, and Hatch was the only member of St. Joseph's track material who made an effort to compete.

State 5-26-1917
