Grand Rapids Central track men, led by Coach Jimmie Upton, made themselves twice winners of the Michigan interscholastic track championship this afternoon by gaining up a total of 25 points against Detroit Central's 25 1-3 and Detroit during a meet part of the program, sponsored by the Detroit Athletic Club, at the Detroit track and field stadium, held here Sunday afternoon.

A number of the Upton's boys were unusually good in the afternoon session but failed to make the billing expected. Still while there was plenty of competition in every event, no new records were being set. A bitter wind, hail and rain were in the air and practically all events were cancelled. In the light of conditions which the course had to provide for spectators, Upton's crew behaved to him a highly well behaved organization. They finished points in practically every event and it was the fact that they did not.

Upton, of Richmond, ran up 23 points for his individual boys. He was the high jumper in the low hurdles, second in the high hurdles, third in the broad jump, and second in the high jump. Brown, of Detroit Central, made second in the individual scoring with a total of 12 points. In addition of the meet he placed in six of the events and was named as a strong contender placed away from the track, although he did not finish in the race and Detroit Northwester and Detroit Northwester failed to place at all.
