

Cross Country Run Staged for Hastings High

HASTINGS, Mich., June 21.—Athletes of the Hastings high school will compete on Friday in the annual cross-country run for the silver trophy cup hung up three years ago by Walter Phelps, a former star athlete of Hastings high, and by Representative Charles A. Weissert to stimulate interest in track athletics. The race covers a three-mile course. Keith Fuller, a member of the senior class, has won the

cup twice. If he wins it again Friday, he will retain possession of it. The donors will then hang up another next year.
