## HIGH SCHOOL RUNNERS HOLD X-COUNTRY JAUNT

Between the halves of the Ann Arbor-Waite game tomorrow afternoon, Wines Field fans will see the high school cross country squad in its final competition for the runs of next week in Detroit. All men who have tried out for the squad will report at the field between halves tomorrow, in track suits, ready for the gun which will send them over the three and one-half mile course. The squad that emerges victorious will entrain a week from tomorrow for Detroit, to enter the cross country matches of the Y. M. C. A., over Detroit boulevards.
