

NORTHERN SENDS TEAM TO RACE

Northern High will send six barriers to East Lansing to participate in the annual intercollegiate cross country run which will be held at M. A. C. Saturday. Northern will be the only high school taking part in the meet. The members of the Esquimo team, who are Turnbull, Segar, Fuller, Northcott and Smith, have been running around Belle Isle for the last two weeks. This practice has put the boys in fine condition and they are expected to finish well in front in the Lansing meet.
