One of the Three Best Schools in Preliminaries at Ann Arbor.

Ann Arbor, May 22.—Chicago University High, Grand Rapids Central and Detroit Northwestern High schools looked best among the 22 schools which will battle through the finals of the twentieth Michigan interscholastic meet here this afternoon.

Each of these three schools has athletes qualified in seven events in which preliminaries were run off Friday. In addition, each has relay teams and mile runners entered, no preliminaries being held in these events.

Detroit Eastern. Lagrange, Ill., and Kalamazoo Central all have several men qualified in the finals, and will be up among the leaders tonight. West Waterloo, la., with Miller its only entry, appears cortain of at least a dozen points. Miller won both his heats in the 100 and 220 and qualified in the shotput.

Chicago University High 'squad appears to have the best chance, as it has more athletes qualified than any other school. The state schools have displayed unexpected strongth, however, Beyers of Imlay City qualified in the 100, 220 and broad jump. Brooks, of Chelsea, qualified in three weight events.
