

## CASS HUSTLES CENTRAL SQUAD

**Team's Weakness in Two  
Events Gives Meet to Blue  
and White, 54-41.**

Weakness in the half-mile run and the high jump was fatal to Cass Technical high school in Central's gymnasium Friday afternoon, the Blue and White capturing its initial dual track meet of the season, 54 to 51.

In the half mile, Central took all nine points, while in the high jump, the best the Mechanics could get was one. In the other events, Tech held its own, scoring heavily in the shot put, mile and the "440." Wilkins of the Mechanics stepped the "quarizer" in 53 1-5 seconds on a 22-lap track. He looks like a rival for McCausland, of Eastern.

**Meyers Leads in Hurdles.**  
Captain Bill Meyers of Tech ran away with both hurdles events. His time did not compare with that he has registered in other competitions.
