DETROIT EASTERN WINS AGGIE MEET

Lansing High Fails to Take Point in M. A. C. Relay Carnival

With a total of 27 points, Detroit Eastern high was winner of the first Interscholastic Relay Carnival staged in the Michigan Aggie gym Saturday night. In Class C, Elsie high made nearly a clean sweep, securing 23 points while Cass made two points and East Lansing one point.

Detroit Northern's half-mile relay team composed of Hoover, Dayhow, Turpin, and Hoover won the Michigan Interscholastic championship for the event in 1:41 4-5, thus setting a new prep record for the distance here. Detroit Northwestern was runner-up in the classic event. The old record, which had previously been in Kalamazoo at 1:44 2-5, while Northern had defeated Saginaw Eastern in 1:44. In other preliminaries Detroit Central won from Lansing in 1:44 3-5 and Detroit Eastern won from Highland Park in 1:45. Lansing High, running under the disadvantage of running against time made the trip in 1:45.

Hoover, of Detroit Northern, proved the star dash man of the meet. Following the heats in the 40-yard sprint he won the final in :04 4-5, which was a fifth of a second better than was made in the qualifying event of the Michigan Aggie Relay Carnival a week previous.

Huntington, of Detroit Eastern, proved a high jump star when he won the event with a leap of 5 feet, 10 inches. In this leap he was just one inch under the mark made by McKeon, Michigan's star who won the event in the college and university meet the week before.

After taking heats hands down in the low hurdles and high hurdles and winning the finals in the high hurdles, Myers of Cass Tech stepped on a bar in the finals of the low hurdles and fell. Voelker of Detroit Eastern, Myers was the outstanding hurdler of the meet, although Voelker ran him a close second in the high hurdles and was not far behind when the accident forced the leader out of the low hurdles.

Lansing High continued to be weak in track. However, Saginaw Eastern and Arthur Hill, and Ann Arbor were all practically in the same predicament. All of these schools, strong in football, basketball and baseball, have fair to good representation in track, both indoor and outdoor.
