

**TRACK MEET AT
BAD AXE TODAY**

**Huron County Title In Two
Sports At Stake**

Bad Axe, June 2—The baseball and track championship of Huron county will be settled here today when the smoke lifts from the city park. Seven high schools are meeting, for the annual track meet and athletic carnival on the Bad Axe lot.

The two teams chosen as the strongest in the county by the county high school athletic board, to play for the baseball championship are Bad Axe and Port Austin. The game will be played off after the completion of the track meet. Events played off this morning are the girls' track meet and preliminary events of the main track meet. Finals in the track meet and the baseball game were scheduled for the afternoon.

The track contests today will probably be the only meet for the thinly clad athletes this season, as the baseball teams of the county high schools are so nearly identical with the track teams that one of the sports must suffer.

The popularity of the national pastime insures its safety and track athletics accordingly suffer. No material of unusual ability on the field or track are expected in the meet, due to the lack of attention to that branch of sport.

Bad Axe girls plans 6-2-1922
