ESKIMOS WIN MICHIGAN PREP TRACK HONORS

Northern, Eastern, Cass Tech and Northwestern Finish in Order Named.

TWO RECORDS TUMBLE

Myers in Low Hurdles, Hester in 220 Dash, Alter Times.

East Lansing, Mich., June 3.—Detroit high schools staged a slam in the fifteenth annual Michigan interscholastic track and field meet here this afternoon, taking the first four places.

Northern won the state championship with a total of 21 points, while Eastern finished second with 19.

Cass Technical was third with 18 3-4 and Northwestern, state champions in 1920 and 1921, was reduced to fourth with 16 1-2 points.

Cass Technical trackisters astounded their Detroit rivals by pulling third. Tech was considered strong enough to finish in the first six, but no one predicted higher than fourth. Meyers in the hurdles and Polley in the quarter were largely responsible for the Mechanics' success.

Hester Lowers One.

Hester, of Northern, winner of both the 100 and 220 yard dashes, established a record in the second event which he ran in 22 1-5 seconds. The old record, two-fifths of a second slower, was established in 1916.

A record in the 220 yard low hurdles, established by Ralph Craig, of Detroit in 1910, was broken today by Meyers, of Detroit, Cass Technical. The Tech hurdler did the event in 24 2-5 seconds, clipping 2-5 of a second from the former time.

The feature track event of the afternoon was the class A relay won by Northern. Hester, running last for the title winning team, had a handicap of nearly three yards at the start, but the little sprinter was equal to the job outlimed and he led his Northwestern opponent by nearly a foot at the tape. The time—1:32 3-5, established a third record for the meet.

Doyle High Point Winner.

Doyle, of Kalamazoo, was high point winner in class A with first in the shotput and discus and a third in the broad jump. Hester had two firsts, while Alderman, of Lansing, had three seconds. Both Hester and Alderman ran in the relay in addition.
