

FROSH GIRL HIGH SCORER

FANNIE HEINHUIS RUNS UP 44 POINTS IN GIRLS' TRACK MEET

A fourteen year old freshman girl, Fannie Heinhuis, tall and slender for her age, carried away individual honors yesterday at the final half of the girls' track meet held on Wells Field. The freshman class also won high honors in class events.

The unusual distance of 20 feet 3 inches was made by Fannie in the hop skip and jump. High school records usually run 17 to 18 feet. In the standing broad jump she made 6 feet 9 inches, and 10 feet 9 inches in the running broad. An easy first in the 100 yard dash swelled her record of points, as did the distance throwing, in which the young athlete hurled a basket ball 66 feet. Totalling all the events in which Fannie was first or second, a score of 44 points was rolled up in her honor. She was given the silver loving cup.

Soph Is Second

Nearest to the winner was Isobelle Smith, a sophomore, who took 16 points into camp for her class and individual record. Hildegard Drott was third, with Dorothea Powers tying for second, and Julia Ransom tying for third with Miss Drott. They will all receive silk ties.

With Fannie Heinhuis as their mainstay, the freshman girls won the class cup, having a total of 38 points

for the class. The juniors came second with 27, and the sophomores third with 23 points. Julia Ransom, tying for third honors, also helped her class, the Freshmen, in winning the class cup.

First, second and third place ribbons were to be awarded 27 girls. Those to receive first place ribbons were Hildegard Drott, Dorothy Rohl, Julia Ransom, Bertha Foulkes, Fannie Heinhuis, and Ruth Gast.

Other Winners

Dorothea Powers, Lillian Drott, Fannie Heinhuis, Leone Slater and Isobelle Smith received second place ribbons; Martha Schoenberg, Hildegard and Lillian Drott and Gertrude Wagner were given third place ribbons, closing the awards of the meet.

Following the events yesterday the girls and Miss Norma Schwendener, their director, went to the beach at the pumping station, where a picnic supper was enjoyed, the prizes awarded, and many of the girls went in swimming.

The freshman class was awarded the silver loving cup for class honors. Superintendent E. P. Clarke and a group of high school boys assisted Miss Schwendener in arranging the field and in scoring the events.

40 MILE CLIP COSTS SPEEDER TEN BONES

Speeding down Wayne street at 40 miles an hour cost Robert Wieser \$10 and costs today.

That was the fine imposed by Justice Ray W. Davis, when Mr. Wieser was arraigned after his arrest by Motorcycle Patrolman W. G. Renshaw.
