By Capt. Shillito

In the first event of the year Central won the annual cross-country race from Battle Creek. Central's two point margin was very gratifying because it prevented the Kiwanis cup from permanently remaining in B. C. as would have been the case had our opponents won for the third time in succession.

At the state cross-country meet held at Ypsilanti, Buck won seventh place.

Kalamazoo lost the first indoor meet to Battle Creek by a large score, but upset the dope by winning a decisive victory over the visitors in the return engagement. Buck's fast time of 4-41 4-5 in the mile was the feature of the meet.

Because of an injured knee Captain Shillito was unable to participate in the indoor meets and new material was used in the dashes. He was able to get in condition for the outside meets however and relieved Buck of his position as acting captain.

The State Interscholastic Invitation Meet for milers and half milers was held at Ann Arbor. Buck and Thurston were invited and Buck again showed his worth by winning 2nd in the mile.
