

## Outdoor Track

Eastern placed a strong team in the field again this year to capture the outdoor track honors. We took the Ann Arbor State meet but lost the City and Lansing meets to Northwestern, and the team, although it lost, proved itself "game."

A summary of our track season follows: The first meet with Central, we won by an eight point margin, the score being 64½ to 56½. The next meet, with the Colts' team, we lost by a small number of points.

On May 1, we entered the State meet at Ann Arbor, which we won by a margin of 3½ points over Northwestern. In the City meet, May 10, although we were strong in several lines, we were nosed out of victory by our old rivals, Northwestern, while Northern placed third. Again on June 9 Northwestern captured the Lansing meet, Lansing High taking second and Eastern third.

Honorable mention is here given to the members of the team:

Half Mile—Brown, Houghten, Reuter, Frank and Beyer.

Quarter Mile—Tice, Curtis, Klockow, Nicholson brothers, Tothen and Seig.

## Indoor Track

We can feel proud of our indoor track team this year. At the beginning of the season it was believed that Eastern had a very slim chance of getting the championship. We got it anyway. In honor of the members of this squad we will publish a list of the events and those taking part in each.

In the mile we were well represented by Stilwell, who usually set the pace and won; also by Lange, Beyer, and Belt. We were strong in the half-mile event also. Captain Reeve Brown and Houghton were our men in this race. Our 440 men, Curtis and Siersma, were very good and always showed up strong. The 220 event was taken care of by L. Wilcox, Klockow and Wills. The 30-yard dash was dashed off in good time by Volz, Colton, Wilcox, and Grundy. In the hurdles we had Grundy, Wilcox, and Tesch. Our relay team, consisting of Volz, Wills, Wilcox, Klockow, and Grundy, made a good showing in all the meets. In the high jump we were very ably represented by Huntington, who always managed to win, even if he did have to break a record to do so. Our pole vaulters, Whelan and Hinning, were not as good as they might have been. Hamilton put the shot in all meets.

The first meet, which was with the Alumni, was lost by Eastern. The Alumni were well represented by many old stars. We also lost to Northwestern by a 48-47 score. Highland Park was easily beaten by our team. Eastern won from Central by a 2 point margin. Eastern won the city meet by 31 points. Our nearest rival, Central, had 29 points.
