

**ISSUE IS DECIDED IN RELAY, LAST RACE**

**Indians Need Second Place to Conquer Trailblazers, Orange and Black Runners Make Good; Northern's Victory in Team Event Nets Eskimos Third; Northwesterners Finish Fourth**

Three records were broken and one tied during the progress of the fourth annual northern indoor track meet held tonight at the arena, victory going to Eastern by two points, while the Indians lost out central for second place in the relay, the final event of the program.

Eastern finished with 33 points, Central collected 29, Northern finished an equal 29, taking third with 21. Northwesterners had fourth with 20. Cass Technical wound up with 11, Northwesterners finished two, Western failed to score.

Until the last four events, Northwesterners were leading, 15 and 14 with Central and Eastern. In both the 220 dash and the 100-mile relay, however, the East and Gray could not get more than a point in each, and did not start in the relay when Klatskanie, the last team, stepped forward on a wild yell, giving Eastern a one point lead. The East had no entries in the high jump.

**Manly Was Star.**

The yellow-headed manly in the relay to win Central Eastern was the only star of the meeting to date and his 100 dash, for Western brothers Chiles and Franklin broke good. All were seen by Central and Eastern some to their disappointment, the yellow-headed manly, by virtue of having broken the record in the 100 dash, won the 200 dash, and the 400 dash. He was the only manly to win in the relay, the only manly to win in the 100 dash, and the only manly to win in the 200 dash. He was the only manly to win in the 400 dash. He was the only manly to win in the 100 dash, and the only manly to win in the 200 dash, and the only manly to win in the 400 dash.
