

COLTS' SQUAD LEADS INCOMPLETED MEET

Four Remaining Events Will Be Run Monday.

With four events postponed until Monday, Northwestern led Eastern in their dual meet that began at Belle Isle Friday afternoon, 53 to 47.

Highland Park was announced as a contestant but the Polar Bears' entries were not present.

Pole vault, high jump, broad jump, and relay remain to be run off before there can be a decision. As the Colts are fully as strong as Eastern in the tests named, the Colts are favored to pull through safely with the better part of the final total.
