

SCORES IN NINE EVENTS; EASILY EDGES ALL FOES

Records go by Boards, But Relay Cannot be Accredited Despite Remarkable Time; Only Two Watches on Winner.

By Associated Press.

EAST LANSING, June 9.—Scoring in nine events, Detroit Northwestern won the highest crown in the high school track competition of the state by walking away today with the seventeenth annual meeting of the Michigan Interscholastic association with 19 points and Detroit Eastern third with 18 points.

The other scores were: Detroit Northern 13 1-3; Saginaw Arthur Hill 12; Detroit Central 11½; Detroit Western 11; Detroit Cass Tech. 8; Ann Arbor 8; Highland Park 6; Saginaw Eastern 6; Muskegon 2; Grand Rapids Central 3; Jackson 2½; Detroit Southeastern 2; Pontiac 1-3.

Records were broken with regularity throughout the meet, the Detroit Northwestern relay team establishing a new record in the last event of the day that is close to or better than all existing marks. It will not be considered official, however, because the eight watches present were scattered over four teams, leaving but two to record the first place winners. Their time by the two watches was 1:31 8-10. The two watches held on the Lansing second place team showed 1:32 4-10.

Hester, of Detroit Northern, and Leschensky, of Detroit Northwestern, put up the greatest battle
