

PREP TRACK TRIALS SET FOR TODAY

By HAROLD KAHL

Twelve high school track teams, 10 Detroit and two suburban, open the preliminary struggle for the city championship in outdoor track and field events this afternoon at Codd Field starting at 2:30. The championship will not be decided until Saturday afternoon at the same place, when the final events will be staged, but the success of the rival schools in the finals will depend in a great measure upon the number of athletes each is able to qualify.

Four hundred and eighty-seven entries have been received from all the schools in the Detroit Inter-scholastic League—the largest number that has ever competed in the annual classic and the first time every school has been entered.

'Y' TO HOLD RUN ON MAY 30

The thirteenth annual Michigan championship spring run under the auspices of the Detroit Y. M. C. A. will be held at Belle Isle on Decoration Day.

The race will be run over a four-mile course, starting at 2:30, and is open to all registered amateur athletes. The finish line will be at the athletic field.

Prizes will be awarded to the first six men to finish the race, the winner receiving a silver loving cup. Entries will close with R. M. Parker at the Y. M. C. A., Wednesday, May 27.

Northwestern, with one of the best balanced teams in the city, rules as favorite to win the title for the third successive time. The Colts have two less entries than Southwestern, but the Prospectors are not figured to press the present city titleholders to any great extent, despite their large entry. However, in the finals Saturday Southwestern and Cass Tech are expected to battle it out for second place honors.

RECORDS TO FALL

Present city records are expected to be shattered in eight of the 15 events this year. Some new records should be hung up today. Glen Carlson of Northwestern is the best weight man in the city, who may lower the marks for the discus, shot-put and hammer. He is present holder of the discus record, and before the meet is over the records for the other two events are expected to hang from his belt.

Jake Widman, also of Northwestern, threatens to better the time for both the low and high hurdles. He reduced the time for the low hurdles and equaled the time for the high barriers last week. Either Don Seeger of Northwestern or Johnny LaFleur of Cass Tech may set a new time for the half mile. LaFleur traveled the 880 in 2:05 1-10 last Friday in a triangular meet, which is :02 3-10 faster than the present mark held by Seeger. The latter was unable to compete last week, due to illness, but has recovered and will run this afternoon.

CENTURY EQUALED

In the trials of the indoor championship meet he was content merely to qualify and another runner broke the record for the distance. However, in the finals he came through a winner and with a new record. A similar situation may occur today. LaFleur should lower the time for the half mile. Seeger may again lay back and show his heels to his field in the finals, which he is capable of doing.

The record for the 100-yard dash also may go. Tolan, a dusky from Cass Tech, equaled "Buck" Hester's time for this event when he sprinted the distance in :10 1-5. Cliff Robinson of Northwestern broke the record for the broad jump last year with a leap of 22 feet 11 1/2 inches. He has improved this season and may cut a few inches off his mark.

Trials in seven of the eight track events and in the seven field events are scheduled for this afternoon. The mile and the semi-finals and finals in all events will be run off Saturday.

HOME RUN HITTERS

AMERICAN LEAGUE

Player—Club	Season's No.	Total
Simmons, Athletics	10	6
K. Williams, Browns	2	6
R. Meusel, Yankees	1	5
