Despite a rain-sodden field, three records were shattered at Wells' field, St. Joseph, Saturday at a southwestern Michigan track meet in which Niles with 39½ points captured an easy first, followed by St. Joseph with 24, Benton Harbor, 19½, and Allegan with 18½ points. Ten high schools competed.

Holden Breaks Record

Holden of St. Joseph, cleared the bar in the pole vault at 11 feet, breaking the record of 10 feet 8 inches hung up by himself and his teammate, Norberg, during the early season. Holden also broke the record in the 880 yard run. Burns of Niles broke his own record of two minutes, 7 1-5 seconds made at Kalamazoo, when he negotiated the half-mile Saturday in two minutes, 6 3-5 seconds.

Hitchcock of Allegan also hung up a new record by hurling the javelin 147 feet 1½ inches.

10 Points For Easley

Robert Easley, Benton Harbor's Negro flash, although not breaking any records, lived up to the reputation he acquired at the state meet last year by equaling the mark in 10.4 seconds by chalking up 10 points for the locals and leading the field in individual scoring.

The diminutive speedster took first place in both events he was entered in, and led his closest rival by 12 feet in the two-fifths mile relay.

Easley stopped the 100 yard dash in 10 and 2-5 seconds which is remarkably fast time for high school track men, and broke the tape in the 220 in 4 2-5 seconds with no one forcing.

Luck Against Benton Harbor

But for a streak of misfortune, Coach Waterman's lads would have placed second in the meet.

Holden, who was counted on as the point winner in the javelin by reason of his placing second at the state meet was decidedly under color Saturday and failed to place.

The relay team, composed of Easley, Davies, Jarvis and Hadley, which had showed its heels to all county competitors, drew a position that never beat Saturday, and although they made a good start in starting the heat, lack of competition slowed the time considerably.

The two-fifth of a mile was traveled by the locals in one minute, 19 1-5 seconds, two-fifths of a second slower than South Haven and one-fifth slower than Niles who competed in the first heat, St. Joseph running in the first set, placed fourth.

Easley Wins 100 Dash

Coach Waterman's speedsters were especially strong in the short events, Easley winning in the 100 yard dash and 7 in the 220, Jarvis placed third in the 220, getting points to the five gathered by Easley in the 100 yard dash, Jacobs finished over the line a few feet behind Easley for second place.

In the 880 Pearples faltered a bit on the home stretch and lost third place to Reeder of South Haven by less than a foot.

Stanley added a point to Benton Harbor's total by to ing fourth in the mile run, and Jarmes, three inches of a point when he tied for fifth in the high jump, while Hamming of Allegan, Cadger of Three Oaks and Wynn of South Haven

3 Firsts For St. Joe

Coach Howe's St. Joseph track stars scored three firsts and two seconds during the meet.

Holden placed first in the pole vault and second in the high jump; Thomas first in the broad jump, and West 2m. in the 440. Davies took second in the 120 yard high hurdles.

Trailing closely for individual point

He's Go

BAN

Pitcher Sam Gray of the Philad one of the sensations of the majo seventh straight victory.

whence, were Holden of St. Joseph, Hitchcock of Allegan, tied at 10 each with a first and second to their credit, and McLane of Allegan.

Holden narrowly escaped injury when his pole broke while attempting to raise the vault mark to 11 feet. The summaries:
