

Last Letters Awarded To High Athletes

ROBERT EASLEY, YOUTHFUL COLORED LAD WHOSE SPEED HAS BROUGHT HIM RECOGNITION.

ALBERT JACOBS, ANOTHER SPEEDY YOUNGSTER COACH WATERMAN BROUGHT OUT THIS YEAR.

The last letters for athletic work have been awarded for this year at Benton Harbor high. This week nine members of Coach Waterman's track team were awarded letters. The season is over and with the closing of school athletic activity will end.

Two Finds For Waterman

Coach Waterman is winding up his local coaching activity with the close of school. He has two finds to his credit in the final lap—Robert Easley, the young colored lad whose speed has attracted attention and also Albert Jacobs. Both boys, under fast and next year should find them upsetting some track records.

When Waterman found that Easley and Jacobs could run he gave them every opportunity to develop. He entered them in the district track meet in Kalamazoo, took them to the state interscholastic meet at Ann Arbor and last week piloted them to Chicago where they were pitted against national competition. Both boys have thus had a taste of big-time stuff. They've cut their eye teeth, so to speak, and next year will have two men who are considerably seasoned.

These Get Letters

The following track men received letters:

Forest Bennett, (capt.) Henry Hadley, Aldred Steinke, Sam Friedman, Arthur Peapples, Earl Steinke, Robert Easley, and Albert Jacobs.

Tennis monograms also were awarded to five boys and four girls. The girl's team Wednesday defeated the St. Joseph girls three out of five matches.
