

## TRACK

WINNING four out of their six dual meets is the favorable record made by Coach Ruggles's track men who have just completed a successful season.

The Highland Park thinclads registered victories over Northern, Flint, Eastern, and Western, and were defeated by Northwestern and Cass Tech, probably the two strongest teams in the city, if not in the state.

Captain Harold "Inky" Oliver, high point man of the season, established a new indoor record for the pole vault, in the Highland Park gym, clearing the bar at 10 ft., 10 in., thus beating the old record of 10 ft., 9 in., established by Albert Thorp in 1922.

Two more gym records were established during the season, one in the Western meet by William Langdon, who heaved the shot 38 ft., 4 in. The other was the lowering of the old relay record of 67  $\frac{2}{5}$  seconds by  $\frac{1}{5}$  of a second. The relay team was composed of Ramsdell, Schneider, Oliver, and Peters. Captain Oliver was taken to the National Indoor Interscholastic championship meet at Urbana, Illinois, an honor which few receive, only eleven men being taken from the entire city.

At the beginning of the out-door season Richard Ramsdell was elected captain of out-door track.

Prospects for next year's team are good, although a number of men will be lost due to graduation. Those finishing school in June are Captain Oliver, Kaplan, Langdon, Hands, Booth, Botsford, Gerdan, Baxter, and Cohen.

The team as a whole should be commended on the results of such a successful season, Coach Ruggles receiving no small share of the credit.
