## NORTHWESTERN AIMS TO REPEAT VICTORY

Colts Boost Most All Around Strength and Expect to Shatter Existing Marks in at Least Three Events—Case, Tech and Highland Park Loom as Only Rivals.

Athletes competing for the various Detroit High schools each their own more objective of the better score during the coming week when the track championship is to be decided in Northwestern gym.

Since the inauguration of the championship, Northwestern has gained reputation with tremendous regularity, being crowned the victor every year with exception of 1921, when Eastern came to the front.

It is not until the beginning of the year that Northwestern will be favored to gain over the rivals in a repeat.

Taking the strongest teams in the city in line the Colts have maintained a clean record during the season and again have entered a week that, unless they meet an unusual finish will in fact show success are indicated.

#### New Stars Evident.

It was the season of 1925 that Northwestern, and several other schools, had broken the record of the previous season. This year, however, the record is being broken by Northwestern.

The team is expected to be the best in the city in line the Colts have maintained a clean record during the season and again have entered a week that, unless they meet an unusual finish will in fact show success are indicated.
