

MUSKEGON SPRINTERS DOING FAST WORK

Muskegon, April 30.—Muskegon high school has three exceptional short distance runners this year who should be heard from in state competition. Raymond Dull, John Hessel and Capt. Paul Voysey are turning in fast times every afternoon. Dull and Hessel ran practically a dead heat in the Temple Cup meet here, for the class championship of the school, in 104-5. The boys were handicapped by rain and cold, and were not allowed to wear spiked shoes.
