

COLTS ON TOP AT LANSING

Special to THE DETROIT TIMES.

EAST LANSING, Mich., May 29.

Detroit Northwestern's track team led in the qualifying of men in the Michigan Class A interscholastic meet here Friday by placing eight men for the finals this morning.

Cass Tech, led by its negro stars, Loving and Tolan, qualified seven men. Kalamazoo Central also qualified a like number.

Because of a horse show in the Stadium, the preliminaries did not get under way until a late hour. Preliminaries in the javelin and discus throws could not be held because of the darkness. Consequently, all of these events were to be run through this morning.

No remarkable times were turned in, in spite of the wonderful condition of the track.
