

# ENTRIES LISTED BY OLD TIMERS

## Stars of Today Will Compete Under Direction of Those of Yesterday.

Entries for the Old Timers' Club track meet, which will be held on Belle Isle Saturday, starting at 2:30 p. m., were announced today. While old timers are sponsoring the meet, there are no old timers entered; in fact, the contests promise competition as keen as meets of much greater promise.

Among those entered are Phil Northrup of Michigan, Edward Spence of City College, who last Saturday lowered the 220-yard low hurdles record for the National A. U. meet, and Hector Phillips, former Canadian Olympic half-miler.

The Old Timers' Club was formed by Jake Mazer, Joy Miller and others to sponsor meets and competitions for the younger generation.

# SOCCER PLAYER PUT OUT FOR FOUR YEARS

## Celtic Players Suspended by National Body.

PHILADELPHIA, June 15.—George Cruickshank, former outside left on the Detroit Celtics soccer team, has been barred from competition until Jan. 1, 1930 by the United States Foot Ball Association in annual session here.

Cruickshank was accused of playing under an assumed name for the McKenzie Club of Akron, against the Ben Millers of St. Louis in Cleveland last winter.

"Matty" Thompson, another former Celtic player, was suspended until Oct. 1, 1926, for the same reason. Players belonging to the Toledo F. C., who participated in the same game, were barred until Jan. 1, 1927.

*It's a Record  
for Short '880'*

(By the Associated Press.)

CHICAGO, June 15.—Alva Martin, Northwestern's star distance runner, failed to establish a world's record of 1:51.7-10 for the half mile run in the national collegiate track and field championship here Saturday.

Engineers, in re-measuring the course, discovered it was 23 feet, 3 inches short of the required 880 yards. Because of the soggy condition of the track, the pole had been moved out two yards to assure the runners of a firmer footing, and this caused the mistake.
