

## GIRLS' ATHLETIC LEAGUE (Continued)

The spring sports were baseball, volley ball, and track. The Sophs carried off the honors in baseball and volley ball. An inter-class meet was held at Dort Field, the following girls winning the events:

Baseball throw.....	171 ft. 8 in.....	Gertrude Pettit.
Broad Jump.....	11 ft., 10 in.....	Bessie Vallincourt.
Shot put.....	25 ft., 6 in.....	Elsie Papp.
High Jump.....	55 in.....	Bessie Vallincourt, Beatrice Walker.
Hop-step-jump.....	27 ft., 11 in.....	Lucille Norman, Madelon Casier.

The girls look forward to the meet of 1927 with great enthusiasm and hope to smash the 1926 records.

It will be possible to have inter-school tennis if there are enough entries. Tennis is still one of our infant sports, but it is hoped that enough interest will be shown so that it will become one of our major ones.

The League has been in operation two years, and according to the sponsors, the results have been satisfactory in that it gives more girls a chance to participate in sports than does the varsity team which calls for only a few girls.
