Northwestern High won its fourth successive city scholastic indoor track championship at Central High Saturday evening, but the victory was not gained until the Northwestern supporters had been given a scare by Northwestern High.

Northwestern scored 35 1/2 points, Northeastern 26. When the first seven events on the program had been completed Northwestern was in front by a margin of three. Northwestern won out by scoring in the high jump, the half-mile and the mile.

BEATTY, LEWIS STAR.

Eugene Beatty and John Lewis gave Northeastern three first places, Beatty winning the high and low hurdles and Lewis capturing the 440. Northwestern matched these victories with firsts in the mile, the 220 and the high jump. It also took the relay, beating out Northeastern in the final event on the program.

In winning the mile Leo Cavanaugh established a new city record of 4:43 1-5 surpassing the old mark of 4:50 1-5 made by Crew Cause of Northwestern in 1924. The Northwestern relay team set a new mark of 1:35 4-5 for the half-mile. These were the only records established in the finals. In the preliminaries Lewis of Northwestern broke the old record in the 440 and Jack Dant of Northwestern sent the former mark tumbling in the 220-yard dash.

Two athletes stood out in the Northwestern victory. They were Eddie Swan and Thad Dennis. They stood out because they won events in which they were only expected to place. Dant, the record breaker in the preliminary, was favored to win the furlong sprint. He placed fourth. Swan, however, came through to beat out Eddie Tolan, the 1926 champion, for first place.

LEAP NEAR RECORD.

Dennis won the high jump with a leap of 5 feet 8 3/4 inches, within an inch of the record made by John Huntington of Eastern in 1923. After winning the event Dennis tried for a new mark at 5 feet 10 inches but failed in three attempts.

The victories of Dennis and Swan came when Northwestern was trailing Northeastern. They put the Boulevard school in the lead.

William Smith of Cass Tech took the half-mile in the fast time of :10 3-5. Don Paul of Northwestern who led for part of the distance, was second until the last step when Arnold of Western, who was coming fast, brushed by to take the runner-up honors.

TOLAN WINS DASH.

Eddie Tolan, of Cass, dashed across the finish line a winner in the 30-yard dash with Snowden of Northeastern at his shoulder. Kallman Bator, of Southwestern, was an easy winner in the shot put, while Watson, of Eastern, gave Eastern a first place in the pole vault. Eastern scored 7 1/2 points in this event, Vogt, of Eastern, and Huff, of Northwestern, dividing the second and third points.

Since 1920, Northeastern had won every city indoor meet but one. In 1923 Eastern was the winner. Its margin this year was the smallest in four years.

LOVETTE SETS SHOT PUT MARK

ON 3-6-1927

(By the Associated Press.)

EAST LANSING, Mich., March 5.—(AP)—Brilliant running by a quartette of State College runners, better shot putting than this meet has seen before by Jack Lovette of Michigan and a new pole vault mark by Hathaway, Kalamazoo College were highlights of the seventh annual Michigan State College indoor games here tonight.

The speedy dash men of the entertaining school not only defeated present day competitors, but also bettered the marks of former runners, setting new meet and gymnasium records in both the 440 and the 880 events. Lovette's mark was ahead of that of Munz, mainstay of the Michigan shot put department for the last two years. Hathaway, a Freshman, not only bettered all of his opponents on the floor here tonight but also had a scant fraction of an inch better mark than the former one held by Morrow, Western State Normal.

The open and matched two-mile events brought out spirited competition, especially in the open in which Western State Normal, Ypsilanti Normal and Detroit City College entered. Smith, Western, and Potter, Ypsilanti, staged a brilliant half in their section with the Ypsilanti man just holding his own and then Fisher, who usually runs as a quarter miler, ran Cramer out to win just under 8:40.

In the race between the University and State College, the first two runners ran even, the third college runner took a 10-foot lead that Wylie lengthened a few feet.

Pole vault—Won by Hathaway, Kalamazoo College; second, McAtee, Michigan State College, and Thorpe, Michigan State Normal. Height, 12 feet 1 1/2 inches. (New record. Old record, 12 feet 1/2 inch, held by Morrow, Western State Normal.)
