## Japs Here for Friday's Match

Taro Miyako, the Japanese grappler who meets Emil VanderLeenden in a finish bout at Fairview Gardens, Mack and Fairview avenues, tomorrow night, arrived in town yesterday and had a workout at Weissmuller's gym, last evening.

The Jap is one of the most cunning grapplers on the mat today combining the jui jitsu and catch-as-catch can styles. He worked against Chris Jordan, who is preparing for a match with Victor Basinski of Flint on the same card. The Jap is a comical fellow and would go big on any vaudeville stage as a laugh producer as well as grappler.

Tonight he will have another workout at Weissmuller's gym, 7424 Gratiot avenue at 8:30.
