

COLTS STAND HEAD OF FIELD AT STATE MEET

Northwestern Places Heavy Entry in Finals Set for Saturday.

JOHN LEWIS TO FORB

Northeastern Flash Equals State Record for 440 in Making 51 1-5.

BY W. W. EDGAR.

East Lansing, May 27.—Northwestern high school of Detroit stands on the threshold of another state track championship as a result of its showing here this afternoon in the preliminaries of the annual meet.

Deprived of the title last year after a reign of three seasons, today the Colts qualified 12 athletes for the finals to double the number of its closest rival, Northeastern. But as was the case in the city meet last week and the University of Michigan invitational carnival a fortnight ago, the Colts must rely on their secondary point winners to return to the pinnacle.

Northeastern offers a serious threat in the combined efforts of John Lewis and Eugene Beatty, each of whom spread-eagled the field in their events this afternoon. It remained for Lewis to top an afternoon of stellar performances when he equalled the state mark in the 440-yard dash by beating Lance of Northwestern to the tape in 51.5 seconds, the mark that was established by Everett Fauscher of Northern in 1924.

Lewis' Run Features.

Close on the heels of Northwestern and Northeastern came another pair of Detroit schools—when Northern qualified six athletes and Western placed five. Qualifying heats were held in all events with exception of the relay, mile and half-mile runs, and the expected opposition from the outstate schools failed to materialize save in the showing of Campbell, of Flint Central, who did the 100-yard dash in 16 seconds flat and turned the turn in 27 1-2.

In each instance the Flint entry outdid the best efforts of Eddie Toole, considered the outstanding sprinter in the city high school circuit. True, Campbell ran in different heats than Toole, and the meeting of this pair tomorrow afternoon should furnish one of the high lights of the meet.

Outstater Lack Balance.

But despite the showing of Campbell, the quarter-mile effort of Lewis stood out above the other performances in the trials. Lewis was away to a fast start and held his margin until turning into the stretch where Lange began to make his move and each stride brought him closer to the Falcon ace. Ten yards from the finish there was not a yard between them, but in the last few steps to the tape Lewis
