 R. Solomon, W. Cobb.

## Girls' Varsity Track

Winning two meets and losing two, the Falconette tracksters closed a successful season defeating Cass Tech, 41-19, on May 15, and College High, 42-18, May 22, and losing to Southeastern May 7, 43-16, and to Eastern, May 1, 35-23.

The final city meet was held June 7. The Falconettes hope to place in it but when The Crucible went to press, the results were not yet known.

Opening the season with a defeat at the hands of Eastern, 35-23, on May 1, the Green and Gold lassies gained a first place in the fifty yard dash and in the seventy-five yard dash. Pearl Clay, well known athlete, took first in the 50 yard dash and Bertha Sullivan, another star trackster, took off the seventy-five yard dash.

Although they had lost the previous meet the Falconettes entered the meet with the Jungaleers, May 7, fighting bravely. Northeastern accumulated 43 points to the 15 markers for the Southeastern girls. In the meet B. Sullivan again took first in the seventy-five yard dash, and P. Clay made fourth place in the fifty-yard event.

By defeating Cass by a 41-19 score, the Northeastern girls' track team gained the first victory of the season when they met Cass in a dual meet at Codd Field, Tuesday afternoon, May 15. With a larger and better lineup than ever before, the Falconettes displayed excellent form in this meet, surpassing that of any previous meet. The Green and Gold lassies practically walked away with the meet, gaining first, second, and third in the hurdles; first and third in the 75-yard dash; first and second in the broad jump; first and third in the high jump; second in the 50-yard dash; and first in the relay.

Scoring slams in the hurdles and 50-yard dash, the Falconette track squad gained an easy victory over the College High lassies, accumulating 42 points while holding the Collegians to 18 at Berry Field, Tuesday, May 22.

One of the main reasons for the downfall of the Collegian thinclads was the fact that they entered only eight contestants in the meet. Doris Barnett showed fine form in taking the hurdles, as did Mattie Hill, who captured the 50-yard dash. The Falconettes took first in the high jump, relay and 75-yard dash. Thus the girl tracksters closed a fairly successful season.
