TRACK

The prospects for the 1928 track team looked very promising in view of the fact that over sixty girls reported for the early try-outs. The squad was reduced in a short time to thirty girls: Zelma Arney, Jean Botsford, Myrtle Carlton, Helen Carry, Mildred Craig, May Crunn, Virginia Derby, Marietta Derby, Loretta Glover, Mable Jenkinson, Mary Koenig, Viola Jones, Thelma Sims, Helen White, Loreta Kuhn, Maude Searle, Marion Moore, Eunice Taylor, Margaret White, Marjorie Somkin, Elizabeth Stewart, Beryl Twigg, Muir Williams, Willie May King, Jean Thompson, Ruth Kwitz, and Gladys Pinkston.

Last year's veterans were Myrtle Carlton, and Virginia Derby.

The first meet was held at Codd Field with Northern. The Collettes won 41-27.

The girls who succeeded in placing first were: May Crunn, 50 yard dash; Marietta Derby, running broad jump; and Beryl Twigg, baseball throw. Those placing second were: Gladys Pinkston, 50 yard dash, and Jean Botsford, high jump. Those taking third were: Mary Moore, 60 yard hurdles; Virginia Aldag, high jump, and Loretta Kuhn, baseball throw. Fourth places were won by Thelma Sims, 75 yard dash; Helen White, 60 yard hurdles; Ruth Eichelbarger, high jump; and Loretta Glover, running broad jump.

The next meet was held at Redford. As the competition was close, Northwestern won by only a few points. The Redford team made a strong come-back to avenge their defeat in a practice match with the Collettes early in the season. The score was 34-32.

Marietta Derby, a basketball, hockey and tennis star, was elected captain of the team. She is expected to make a good showing in the city meet, May 29.
