

Top Row: Gordon, Dennis, Clark, Ward, Huber, Penick, Seros, Fisher.  
 Middle Row: J. Ward, Guy, Adams, Smith, Coleman, Maxam, Moore, Pomeroy, Grimm, Thompson.  
 Bottom Row: Coach Weaver, McIlvain, Hurd, Burgess, Meldrum, Captain Erskine, Whitney, Mumma, Lofland, Northrop, Mr. Maris.

## TRACK

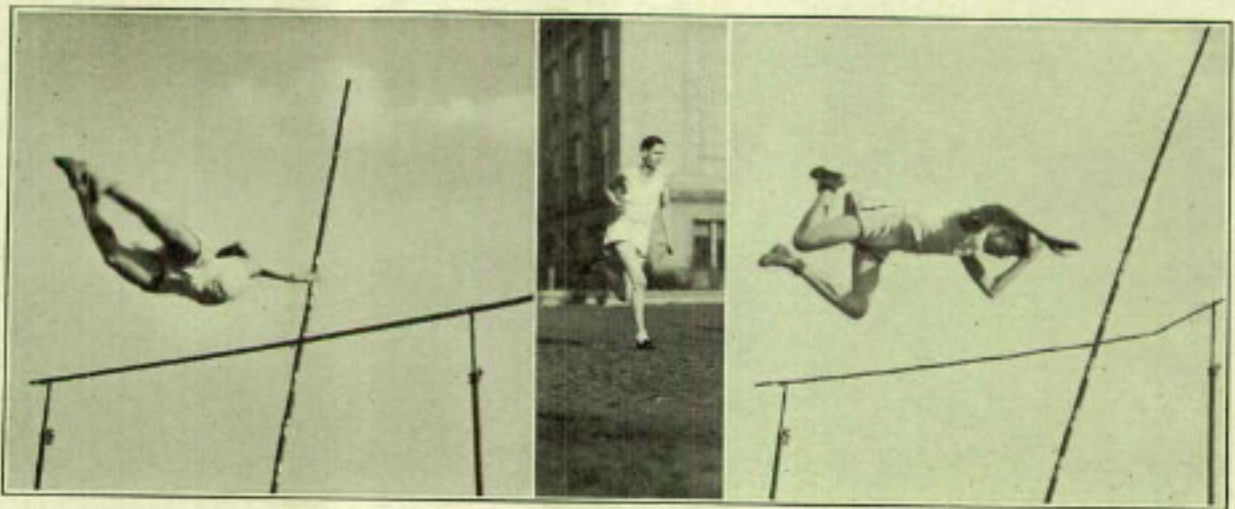

Coach Weaver had few hopes of winning any championship in track as the season opened with only three eligible lettermen: Captain Don Erskine, Thad Dennis, and Clifford Whitney. However, when the first meet arrived, the squad was found to be as strong as previous teams. Jaydell Thompson proved to be one of the finest distance men in the country, winning the national indoor meet. Another find was James Meldrum, who has developed into an excellent quarter-miler. W. Ward, a freshman, improved steadily from the beginning of the season, and is now rated as one of the best high-jumpers in the city. F. Penick displayed some fine form in both hurdles, and much is expected of him next season. Bob Carlson did some excellent running in the mile, taking first place in the indoor city meet. George Seros proved himself to be one of the fastest dash-men in the city. The team was fortified by four pole-vaulters, Northrup, Maxam, Moore, and Pomeroy, all of whom were consistent at nine-six. Jack McIlvain and Oscar Kelley were the weight men but neither were able to break any records. Huber, in the hammer-throw, promises well for the future. A new-comer, Grimm, has the earmarks of a real javelin thrower.

Bill Burgess, an eleventh grader, who ran some fine quarter miles, took first in the national indoor meet. Hurd another promising distance man, has one more year to run. Thad Dennis, an extremely clever high-jumper, took third place in the national indoor meet with a leap of 6 feet 1 1-2 inches. Guy, in the half mile, proved his ability to force any man in the city. In the 440, Don Gordon proved his worth by picking up one or two points when needed most. Carter Smith, a very small man, won points in both the dashes and hurdles. Captain Don Erskine was unfortunate in pulling a tendon in the Northeastern indoor meet. This eliminated him for the remainder of the season.

The track season has proved a great success and the team gained an enviable record in having won all its dual meets by large scores; also it has won the city and midwest indoor meets and has taken second place in the national meet.

City Meet Indoors—For the eighth time in nine years, Northwestern has won the city indoor track championship. Northeastern, led by Eugene Beatty, took second place. Several records were broken in this hard-contested meet. In the absence of Captain Erskine, who was forced out of the meet by an injury; Thad Dennis took second in both the hurdles and the 30 yard dash. He was forced to take third place in the high-jump, however as Sampson of Cass, and Ware of Hamtramck leaped 5 feet 11 inches to a new

record. Burgess, a quarter-miler, outran Smith of Cass in a thrilling race. Jaydell Thompson, of Northwestern, continued his record breaking pace, and set a new record in the half mile. In the mile run Bob Carlson took first place beating out Ecknovitch of Northwestern, who was favored to win the event. An exceptional record was set by Turoschoff of Cass when he threw the shot 50 feet 7 inches.

Mid-West Meet Indoors—Northwestern men were unfortunate in the mid-west meet and barely nosed out Northeastern for first place. The individual star for Northwestern was Thad Dennis who copped second place in both the low hurdles and fifty yard dash and tied for third in the high-jump. Burgess lost the quarter mile to Moxley of Columbus Central in the record time of 52 7-10 seconds. Likewise, Thompson lost to Arnold of Western in another record-breaking performance. Nevertheless, the team came through with enough secondary places to win the meet and retain the championship.

National Meet Indoors—Northwestern, represented by Burgess, Meldrum, Carlson, Hurd, Dennis, and Thompson, again placed second in the national meet at Evanston. Burgess and Thompson won the 440 and mile respectively, while Dennis took several points in the dash and the high-jump. Hurd gained fourth in the mile run, but the relay team failed to place.
