ANNUAL MEET ATTRACTS PREP STARS OF WEST

Colts Conceded Edge Over Rivals But Froebel, Columbus, Eastern Have Chance.

ENTRIES MAY REACH 30

Chicago List Yet to Be Filed—Beatty Is Hope of Southeastern Team.

Ann Arbor, Mich., March 9.—The ... annual Michigan interscholastic indoor track and field meet will ... under way next week-end in ... Yost field house with an entry list ... expected to run to about 30 high ... schools of Michigan, Indiana, Ohio ... and Illinois. It will be the first ... track meet of the year in Yost field ... house, the basketball floor just being removed during the past week.

Preliminary heats will be run off Friday night and the finals will take place on Saturday afternoon.

Entries as announced by the student interscholastic manager now total 12, but as yet none of the Chicago schools which have been represented in the past have sent in lists and the Detroit schools are not all in as yet. Those which have entered so far include Northern, Northeastern, Southeastern, Central, Hartford, River Rouge and Redford.

Among the missing is Detroit Northwestern, present champion, which has won three of the four previous meets held here. The Chicago schools broke through on the ... and took the title home. Last ... patrons were treated to an exceptionally close meet with four schools bunched together. Northwestern won with 19 points, being ... by Detroit Eastern with 18. Gary High of Gary was third ... 17 points and a second out of ... school. Columbus (O.) Central, was fourth, a point behind Froebel. Both the Ohioans and Froebel are entered this year.

Northwestern Favored.

In addition to the seven Detroit ... and Columbus, O., schools ... mentioned, the list includes Ann ... Benton Harbor, Jackson, ... Muskegon, Saginaw, Wyandotte, Grand Rapids Central and ... from the state. Other Indiana entrants include Mason ... Gary Roosevelt, Hammond ... and Waite of Toledo completes the present list.

At this writing Detroit Northwestern looks to be a distinct favorite to repeat its successes of the past years, though stalwart Detroit Eastern, Detroit Froebel, Columbus Central, Detroit Eastern and perhaps one or two others. Northeastern, runner-up a year ago, does not appear to be a real contender, the Negro star, Eugene Beatty, being almost a lone hope. He will collect quite a ... of points.

Beatty Holds Record.

Beatty is a power in himself and ... could set Northeastern up well. ... Last year he set meet records of ... :05.4 in the 65-yard low hurdles and ... 21 feet 1½ inches in the broad jump, ... as well as placing in the high ... and the 220-yard dash. Two ... other athletes combined to break ... four more interscholastic records ... last year to make it a wholesale ... affair.

... Columbus Kiwi set a mark of 1:37 ... for the 880-yard relay and Froebel ... turned in 4:53.8 for the mile and a ... quarter medley relay. Two boys ... from the latter school, Peluchia and ... Wormwood, tied at 11 feet 6½ ... inches for a new vault record. ... Wormwood also has a record for ... the seventh record by a heave of ... 50 feet 7½ inch in the shot.

... The field this year will be largely a new one with the exception of ... Beatty. A notable exception to this ... is Burgess of Northwestern, who ... is a consistent point winner ... and who appears to be the cream ... of the Detroit quarter milers. Dyas, ... a teammate, is another good man. ... Dennis and Pennick of Northwestern were in the meet a year ... ago. Lewis of Eastern, the only ... Detroit athlete to clear the vault a ... year ago, will be back.

Heston Shows Promise.

... Pojarow of Eastern and Mc... Manus of Central are both good ... bets while Wright of Southwestern, Thompson of Northwestern ... and Ickworth of Northeastern are ... said to be prospects.

... The hurdle games in Michigan ... athletic history promise to be on hand. Young Jack Heston looks good in both high and low hurdles and might even press Beatty in the ... latter. A brother of Phil Northrop ... is following in the Michigan ... tradition, being a pole vault ... prospect.
