Sensational Work of Liberty a Feature; Nine Marks Fall

Negaunee, May 25 (Special)—The Negaunee athletes had their day yesterday and capped the annual Negaunee Invitational track and field meet for the first time by beating the strong Escanaba team by a 66 to 61 score. The field event team was composed of only eight boys but they were all pointers and as a result they were able to win eight of the thirteen first places. Nine new records were established and one tied in the event yesterday. John D. Pierce, high school, Negaunee, was third with 18 points and Negaunee high school won points for fourth place.

Liberty, Gladstone's versatile athlete, furnished the sensation of the day when he won the 150-yard high hurdles in the sensational time of 15.8 seconds. The mark cut one full second from the present upper peninsula mark. Liberty was a full ten yards ahead of the nearest competitor, Jensen, Escanaba, when he broke the tape. Four other new marks were set in the field events and one of them had one mark better than Liberty's. He had turned in a victory in that event. Liberty also won the new standard broad jump and javelin throw. He also ran another race on the winning relay team.

Edmund, diminutive Escanaba athlete, won his specialty in the pole vault, with a height of 11 feet. Although it was 4 inches taller by the narrowest of margins.

The 100-yard relay race, the final event on the afternoon program, was also a sensational race. The five three runners on the Escanaba side and Gladstone's team raced for 467 1/2 yards. Negaunee's middle team also set a new mark. Liberty, however, broke away from Jensen in the final 100 yards to capture the event for Gladstone in one minute, 41 seconds. According to the rules of the meet, this event does not count for points, except in case of a tie.
