

CENTRAL IS THIRD IN CLASS A TRACK

Detroit Northwestern, Monroe, Kalamazoo School and Okemos Win State Titles; West Michigan Boys Brilliant.

East Lansing, May 25.—(P)—The twenty-fourth annual state interscholastic track and field meet passed into history here Saturday with a brilliant exhibition that shattered 15 records.

After the last race had been run Detroit Northwestern, Monroe, St. Augustine of Kalamazoo and Okemos High schools were declared the 1930 champions.

The scores of the contenders in class A of the interscholastic track meet here Saturday:

Northwestern, 36; Cass Tech, 20; Grand Rapids Central, 10; Redford, 10; Ann Arbor, 9; Benton Harbor, 8; Ferndale, 7; Hamtramck, 7; Muskegon, 6; Lansing Eastern, 6; McKenzie, Detroit, 5; Northeastern, 5; Mt. Clemens, 5; Grand Rapids Union, 4½; Western, 4½; Holland, 4; Grand Rapids South, 3; Grand Rapids Ottawa Hills, 2½; Flint Central, 3; Detroit Central, 3; Pontiac, 2; Muskegon Heights, 1½; Grand Rapids Creston, 1; U. of Detroit, 1; Eastern, 1.

Allegan Boy Stars.

Northwestern's great all-round track team of nine entries closed its state competition by retaining the class A title it had won last year. It led the field at 37½ points while its nearest rival, Detroit Cass Tech, trailed with 20 points. It was the eighth time in the history of the annual meet that Northwestern captured premier honors.

Monroe blossomed into a state championship in class B for the first time by piling up 27 points. Allegan with its star, McNutt, a whole track team in himself, was second with 13 points.

McNutt was the outstanding performer of the day with two victories, a second place and two new records. The Allegan star established new marks in the shot and discus and ran a second in the 100 yard dash.

Otsego Nosed Out.

St. Augustine of Kalamazoo also tasted the fruits of victory for the first time by nosing out Otsego, 14 to 13, in the class C competition. A first place decision in the half mile relay, the last event on the program, was the difference between victory and defeat for the Kalamazoo team.

Okemos returned to its class D championship of two years ago by making 34 points with South Lake in second place with 27½. The Indians were edged out of the title last year by Newaygo by half a point.

Small schools in the two underlying divisions captured most of the record breaking honors. Athletes of the two classes overturned five marks in each division, while four new records were established in class B competition and only one in class A.

Tim Quinn, a rugged lad from Ludington competing in Class B, rose to a dizzy height in the greatest achievement of the day when he ran the half mile in the sizzling pace of 1:58.8. The mark not only displaced the old Class B mark of

2:03.5 but also was better than the best all-time record for Class A competition.

Beaumont, Okemos' star weight man, performed a similar feat by throwing the javelin 170 feet 5 inches compared with a Class D old mark of 160 feet 4¾ inches and a present Class B record of 162 feet 1¼ inches.

Weber, Mt. Clemens ace, gave his team its only points and saved Class A from a nonrecord-making exhibition by hurling the javelin 171 feet 10¾ inches, more than two inches better than the old record.

Lowellite Breaks Mark.

Class B records were established in the 880-yard relay, the half mile, discus and shot. Class C athletes made new marks in the half mile, 440, high jump, high hurdles, and discus, while Class D men erased the former best efforts in the javelin, 220, pole vault, broad jump and high hurdles.

Layer of Lowell changed history of eight years standing when he heaved the discus in Class C competition to a new distance of 120 feet 2½ inches.

The point scores in the other classes were:
